GENERAL PROVISIONS

A. This permit is valid only for the purpose specified herein. No change of program as outlined in application or drawings submitted with application is permitted except upon written permission of the Chief Engineer.

B. Activities and uses authorized under this permit are subject to any instructions of the Chief Engineer or his representative. ALL INSTRUCTIONS MUST BE STRICTLY OBSERVED.

C. Permittee shall assume entire responsibility for all activities and uses under this permit and shall save the District free and harmless from any and all expense, cost or liability in connection with or resulting from the exercise of this permit including, but not limited to, property damage, personal injury and wrongful death.

D. Any damage caused to Flood Control structures by reason of exercise of this permit shall be repaired at the cost of permittee to the satisfaction of the District. Should permittee neglect to promptly make repairs, District may make repairs or have repairs made and permittee will be billed and shall pay costs.

E. Any structures or portions thereof or plantings placed on District rights of way or which affect District structures must be removed, revised and/or relocated by permittee without cost to the District, or any other public agency the District shall so designate, should future activities or policy so require.

F. This permit is valid only to the extent of District jurisdiction. Permits required by other interested agencies and consent of underlying fee owners of District easement lands are the responsibility of the permittee. NOTHING CONTAINED IN THIS PERMIT SHALL BE CONSTRUED AS A RELINQUISHMENT OF ANY RIGHTS NOW HELD BY THE DISTRICT.

G. This permit is subject to all prior unexpired permits, agreements, easements, privileges or other rights, whether recorded or unrecorded, in the area specified in this permit. Permittee shall make his own arrangements with holders of such prior rights.

H. Unless otherwise specified herein, this permit may be revoked or cancelled at any time by the Chief Engineer when required for flood control or conservation purposes.

I. Upon written notice of cancellation or revocation of this permit for any cause whatsoever, permittee shall restore District right of way and structures to their condition prior to the issuance of the permit and then shall vacate District property. Should permittee neglect to restore the premises or structures to a condition satisfactory to the Chief Engineer, the District may perform such work or have work performed, and permittee agrees to reimburse the District for all costs of the work so performed upon receipt of a statement therefor.
